NEWSLETTER - APRIL 2025

Principal's Message:

April is here, and with only 12 weeks left in the school year, things are getting busier than ever! Our badminton season is in full swing, with Divisionals and Zones just around the corner—best of luck to all our athletes as they compete.

Our students have some exciting experiences coming up this month. Our K-5 students are heading out on a field trip this week, while our junior high students will participate in a meaningful volunteering opportunity and field trip on April 15th. Meanwhile, the German classes are busy preparing for their annual Easter Concert, which takes place on April 10th. Everyone is invited to attend.

April 7-11 is Education Week, and we'll be marking the occasion with daily spirit days, treats, and special activities. It's a great time to celebrate learning and school spirit!

May 3rd will be our annual highway clean-up, and we need parent drivers and student volunteers to assist with that. It usually just takes the morning and is a huge fundraiser for our ATL trips and graduation. The same day we are also planning a bottle drive to support graduation and Chamberlain Athletics, so if you have empty bottles, please save them up for us! It allows us to provide low or no cost sports to all students and means that we do not charge graduation fees.

We're also thrilled to share that our school has received a generous grant from the McCain Foundation to support our breakfast and healthy snack program. This funding will ensure that all students continue to have access to nutritious food choices throughout the school day.

As we head into the final stretch of the year, our staff remain dedicated to delivering engaging lessons while also making time for the many extra activities that make school life so enriching. Thank you for your ongoing support—we're looking forward to a fantastic spring!

Always,

Mrs. Van Ham

Highway Cleanup, Lunch & Bottle Drive

Highway Cleanup will be held on **Saturday, May 3**. We really need Junior High and High School students and parent drivers to sign up and volunteer to help participate with this large fundraiser. A delicious lunch will be provided for everyone. After lunch students and drivers will head out to do a bottle drive. All money raised will go towards Grad and Athletics.

Early Childhood Services

If your child is 5 by December 31, please register him/her for Kindergarten as soon as possible. We need to know how many children will be attending Kindergarten to complete our staffing for the 2025/2026 school year. Please bring your child's Birth Certificate or Canadian Citizenship Status Card and Alberta Health Care Card.

If your child is 3 by September 1, they can be enrolled in Early Learning.

Science Olympics

8 students in Grades 6 - 9 attended Science Olympics in Enchant on March 27. A huge thank you to ICI for their generous donation towards sponsoring 2 teams to attend this event.

BUY 2024 / 2025 YEARBOOK AD SPACE

Purchased ad space will help support the Chamberlain/ATL school yearbook. Please consider advertising your business or farm, or a special congratulations to our graduates!

Pricing

1/2 Page \$100.00

1/4 Page \$50.00

1/8 Page \$25.00
